slate will include a new *Sin City* comic and a return to *Ronin*, the sci-fi samurai creation Miller wrote and drew prior to finding mainstream crossover success with *Dark Knight*.

"It's a new day and I'm excited by this partnership. We are eager and ready to start," said Miller.

FMP will aim to produce two to four titles a year, which will be a mix of Miller's creations and new works. The titles for the new, original works are *Pandora* and *Ancient Enemies*.

"Frank Miller is one of the biggest names in comics, and I couldn't be more thrilled to partner with FMP to distribute their books worldwide. Their new publishing lineup already assembles an impressive title list with some of the best creators in the business. Diamond is ready to utilize all the assets of our global distribution network to help promote and maximize sales for Frank Miller Presents!" said Tim Lenaghan, Chief Purchasing Officer of Geppi Family Enterprises which includes Diamond Comic Distributors and Diamond Book Distributors.
